WF-AID's Response

WF-AID would like to extend our deepest gratitude to The Imam Hasan Foundation for their generous donation of AUS \$350,000.

WF-AID is amongst the very first organisations who delivered and continues to deliver emergency aid in Gaza following 7th October 2023. Your donation has contributed to the distribution of food packs, water, medical aid, fuel for hospitals, and cooked meals in Gaza.

In response to this urgent situation, WF-AID has swiftly mobilised its resources with ground partners to provide immediate support to the families affected by this tragedy. The focus is clear: **to extend life-saving aid to the destitute and displaced across Gaza.** This emergency relief aims to provide essential aid, reaching out to every corner of Gaza where assistance is needed.
