Dear Trustees

Salaam Alaykum

I would like to extend my thanks to the Imam Hasan Foundation and community in Sydney for the generosity in raising funds for the needy in Gaza. It was an honour to attend the event of February 11th and witness a wonderful display of generosity and humanity.

We have received \$750,000 from Imam Hasan Foundation since the beginning of the situation in Gaza, and we are working closely with UNRWA to ensure the funds are used correctly and at the lowest possible deduction of admin costs. We have chosen to work with UNRWA for having the lowest admin costs, access past the borders ensuring delivery not just to the border of much needed aid and also adhering to the financial and regulatory requirements of the banks, charity commission and laws within the UK, ensuring a clear audit and reliable robust reporting.

We do understand you and all our donors globally are anxious for reports with pictures etc, we have been advised these are very sensitive as pictures and details can put aid workers in peril and we are unable to forward you these at this moment of time.

However, a detailed report will be forwarded as soon as we are permitted to share including detailed information about the aid provided.

We assure you we are monitoring every single dollar and as always will provide details and audit trail for all the work we do. We appreciate your patience and thank you for your continued support.

Kind regards

Safder Jaffer
President
