A lifeline in a time of crisis.

Lebanon Humanitarian Fundraiser 2026

Since March 2, 2024, the escalation of conflict in Lebanon has reached a breaking point, forcing more than one million people to flee their homes in fear. In just three weeks, over 1,000 lives have been lost, including more than 120 children. As infrastructure is destroyed and southern regions are cut off from the rest of the country, families are losing access to the most basic human rights: food, safety, and healthcare.

The **Imam Hasan Foundation** is launching the Lebanon Humanitarian Fundraiser 2026 to provide immediate, life-saving intervention. We are working to bridge the gap for those isolated by the violence and those displaced with nothing but the clothes on their backs. Your donations will go directly toward emergency food packs, clean water, and medical supplies for the most vulnerable. We cannot turn away while children and families are cut off from care. Please join us in providing hope and relief to Lebanon in its hour of greatest need.
